THE JEALOUS WOMAN'S JEALOUSY

Sonsino, after drinking beer with his friends all night, goes home at two o'clock in the morning. He finds his wife, Pacífica, furious. She already knows that in her husband's car glove compartment has a panty. Taken of uncontrolled jealousy, she does everything she can to make her husband give her the car's key, so she can check if the complaint, which consumes her, is true. The husband denies the existence of any women's underwear in his car, but even denying it, he refuses to give her the key. If there's nothing there, why not hand over the key and finish this discussion?
