

## **SYNOPSIS**

### **THE BOSS OF THE EMPLOYEE**

Testiculino works as the only employee in a press shop, where he do multiple functions and is, with that, exploited ruthlessly by his boss, Paulino. In one morning, as soon as Paulino arrives at the company, he discovers that a lot of T-shirts have been stamped with the wrong date of an event. More than just blaming his employee for his own mistake, the boss finds ways to humiliate him, until force Testiculino to mend his mistake by redoing the T-shirt's printing over the weekend. This way, the relationship of exploitation between employer and employee is uncovered.
